

INDIE DROP 2

NORCO
BICYCLES

The Indie Drop is an urban ride that blends a throwback look and feel with modern performance. Featuring a full chromoly frame that harkens back to the glory days of road bike design, the Drop carries riders from point to point with speed, style and grace.

MSRP \$1,045 CAD

COLOUR: Dark Blue

MAY WE SUGGEST:

RANDONNEE AERO 20

Waterproof, ultrasonically welded 20L panniers, perfect for commuting and touring. Backed by Axiom's lifetime guarantee.

MSRP \$152.99 CAD

TOPEAK WEATHERPROOF DYNAWEDGE

Super lightweight, water-resistant, aerodynamic seat bag to keep tubes, tools, and other small repair items easily accessible.

MSRP \$39.99 CAD

AXIOM HELIX CARBON BOTTLE CAGE

Light carbon fiber composite bottle cage. Easy bottle removal and high resistance against breakage.

MSRP \$54.99 CAD

SIGMA BC 12.12 STS WIRELESS

Wireless 12 function computer, with memory for 2 bikes. Calculate how many liters of gas you save by entering your car's fuel economy!

MSRP \$94.99 CAD

STREAMLINER DISC DLX

Available in both Road and Disc designs, Streamliner racks have a narrow, tapered platform that both positions panniers into an aerodynamic wedge shape, and brings the panniers closer to the bike's centre of gravity for stability.

MSRP \$46.99 CAD

RAINRUNNER 360 REFLEX FENDERS

Durable fenders that reduce spray and grime from the road. Mount easily to road and urban bikes with or without eyelets.

MSRP \$65.99 CAD

TOPEAK REDLIGHT AERO

Slim, aerodynamic LED taillight that mount to your seatstay or seat post with a tool-free rubber strap.

MSRP \$26.99 CAD

SERFAS TRUE 550

A high-power, 550 lumen, USB rechargeable light to see the road, and ensure that drivers see you. Perfect for riders who venture away from streetlights.

MSRP \$164.99 CAD
